Keeping In Touch

RESTRICTIONS DUE TO THE CORONAVIRUS OUTBREAK HAVE AFFECTED OUR SERVICES TO ADULTS WITH ACQUIRED BRAIN INJURY.

The Keep in Touch project has been started to provide regular contact with clients and their families

What the project will provide:

- Regular weekly contact with Headway Preston and Chorley.
- Listen to concerns and give appropriate advice.
- Reassure clients who might be worried about becoming unwell and to advise them of what do to if they have any symptoms.
- Prevent isolation, negative thoughts and low mood.
- Assist people to establish a home routine.
- Virtual welfare benefits assistance.
- Assist clients to obtain information form other organisations (assisted signposting).

How we will deliver Keep In Touch

- An initial first call to establish whether clients would like to receive regular welfare calls and communication from HWPC.
- Set up a day/time to call the person and set out the reason for the call.
- Offer alternative methods of contact i.e. email, text, What's App, Skype

Telephone or text **07583637197 or 07557123493**
